About Us

We, at GFPS, Ghaziabad, are led by our vision of "Lead me to Light" giving valued learning experiences and quality education to our students.

We deeply feel that the future of our country is being moulded, shaped and nurtured in school.

The team of GFPS strives to make the school a place where our student can explore and discover who they are and what can be, and have the support and security to realize their full potential.

We hope that our students will eventually grow up as good human beings and responsible citizens of our country in a global prospective with their root embedded in Indian culture and values.

The Concept

The Green Field Public School Society was registered and set up in 1991 under the presidentship of Shri Prithvi Singh with the purpose of providing quality and purposeful education to the children.

The School - GFPS
